Subject: Relocation Head Start Cabo Rojo

I just received a call from Olga Bernardy stating that the Mayor of Cabo Rojo and Mayor of Sabana Grande found a place to relocate HeadStart Colaboracion I, II and III. It is a governmental property that has some of the HeadStart Program requirements. Ms. Bernardy said that they expect to be in the new location by March 25, 2013. This is going to be a permanent relocation

Ms. Bernardy is going to send us an action plan and the address of the new school later on this afternoon. so we can determine if it is outside of the known contaminated areas.
